LOGGERS WIN DISTRICT TOURNEY

DATE OF CONCERT IS ANNOUNCED

The annual spring concert of 1940 has been set for Wednesday evening, March 13th, in the Gymnasium at Eagle Point, and on Thursday evening, March 14th, at Gold Hill. The orchestras of both schools will be combined for these two concerts, making up an ensemble of over 40 performers. These concerts are expected to be the best ever presented under the leadership of Mr. Millard, and it is hoped that there will be a large turn-out for them. A small admittance charge of 25 cents for adults and 10 cents for children will be made. By all means, hear these student musicians on Wednesday evening.

POINTERS LOSE 16-17

The Butte Falls "Loggers" are to represent the District 14 at Salem again this year for the second consecutive time. After a hard fought battle they ousted Central Point by the narrow margin of 17-16 for the much prized position. The game was packed full of thrills which kept the crowd roaring continuously. At the half time Central Point was on the long end of a 11-7 score. This lead they held until the last few minutes of the game.

The St. Mary's - Eagle Point game which was played here on the sixteenth of February was won by St. Marys by a 51 to 24 score.

P.T.A. TO DISCUSS CITIZENSHIP

There will be a P.T.A. meeting Friday, March 8th at 2:45 p.m. in the High School Building.

"A Feeling In My Bones", will be presented as a moving picture by Mrs. Thaxton's room.

Mr. Davies will lead a discussion on citizenship.

Parents and teachers are urged to attend and, if possible, to join the association and become active in its' work.

The Eagle's Quill is a student publication, printed semi-monthly by the students of the Eagle Point Schools. The subscription rate is twenty cents a semester or thirty-five cents per year.

Our policy for this year will be: to serve our readers with an accurate account of activities and happenings in our school and community and, by so doing to make friends, to give publicity to students who achieve and, at the same time, to serve as an outlet for student talent.

SPORTSMANSHIP

The greatest opportunity to display good sportsmanship is in competitive basketball between various high schools. It might be a hard game to lose or maybe you feel the best team has lost, but there is no excuse for yelling at the referee in a "two-year-old fashion."

Personal fouls called on fellows playing basketball do not mean that the boys are poor sports or that they are spiteful or revengeful. Sometimes however, such is the case and are serious infractions of the rules of good sportsmanship.

The technical fouls called on the crowd may be even more serious. How do you think a team is going to feel if the whole crowd seems to be against them? Most people don't go to a basketball game to "boo" the referee

How do you think?

The County School Law will soon come to vote in our County. Between now and April second a lot of thinking will be done by voting and interested citizens. It is important that this thinking be on a high plane.

Now, how should one think? It seems that one of the planks in both the pro's and the con's argument should be centered on the child.

Buildings, library, busses, equipment, teachers, janitors, gymnasiums, school boards--all of these things exist for the child and for his welfare. There is a certain tendency toward confused thinking on this point. Personal interests cloud the real issue. Accordingly, schools exist so the teacher, janitors and bus drivers can have a job! And, schools exist to give value to property, to keep the home town or community from dying a natural death and seven hundred other reasons except the real one!

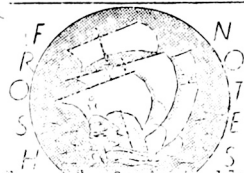

What kind of thinking are you doing these days? Your stand, pro, or con, isn't as important as straight unadulterated child-centered thinking. With such thinking, our schools are bound to benefit regardless of the vote on April second. (V.W.H.)

and the opposing team, but some do.

It is well to be for your team but not against the other. A yell squad should never set a bad example for other schools or pattern after them.

We can't all show our good sportsmanship in a game, but we can be good sports from the spectator's point of view.

Basketball season is over, but baseball will soon be here. Let's be good spectators and keep our wise-cracks to ourselves. Maybe it might add a little to the game if the players would try a little harder too. (J.R.H.)

Well, we got beat by the Seniors in blue cards this six weeks period. The Seniors had a top ranking of eight blue cards, and we only got five. Oh well, we shouldn't be expected to break the record every time.

It seems that a lot of Freshmen have been absent lately. The record was broken by Joan Millard, who has been ill the past week but is back now. We hope that they all catch up in their studies and don't have to be on the absent list for quite a while.

The Freshmen played a game of basketball Wednesday with the Sophomores. It was a good game, with the final score 18-16 in favor of the Freshmen.

"Fountain of Youth" in EaglePoint

The drinking Fountain on the corner by the Post Office is enjoyed by everyone. It is colorfully decorated on top with four polished agates, one in each corner. The fountain, flowing continually, is an asset to the water system as it keeps the main flushed. If it was the "fountain of youth" there would no longer be any elderly people in Eagle Point because everybody drinks from it when they walk up the street and again when they walk back.

GRADE NEWS

Pupils of the third and fourth grades are working on a play, "Little Red Riding Hood."

Two third graders had all 1's and 2's on their report cards this week. They were Dorothy Force and Wilbur Shultz.

The children on the honor roll for the last six weeks were Lois Hirsch, Richard McCorkle, and Rosa Lee Charley in the second grade; and Leitha Scott, Wayne Arens, and Ruth Powell in the first grade.

Thirteen children had perfect attendance for the six weeks. Some of the others have been out several days with colds.

CLASS OF '37

Margaret Simmons is living at home here in Eagle Point.

Mark Hoeft is adding to his education at S.O.C.E. in Ashland.

Mariam Chamberlain is the wife of "Chuck" Sturgill. They are living in Ashland where he is also attending S.O.C.E.

Wanda Howe is doing exceptionally well at Oregon State College in Corvallis.

Helen Fry finished her teaching course in Ashland and is now teaching school at Lost Creek.

Jo Chamberlain is living at home this winter but she has been attending S.O.C.E.

Paul Andre is working in a sawmill in Scotia, California. He alternates work periods with attending college in Texas.

The former Velma Mathews is the wife of John Noble, living near Eagle Point.

Carl Lawson is married to Irene Stowell, a former E.P.H.S. student. They have two children and are living in Butte Falls.

Helen Kot is working for the County Abstract Company in Medford.

George Peachy is taking post graduate work in this high school.

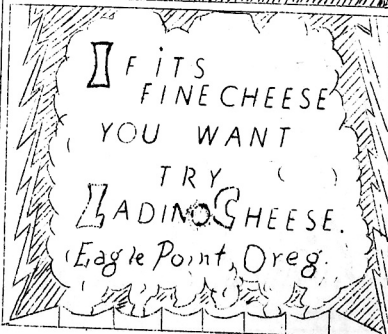

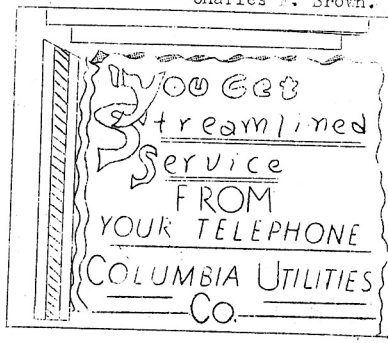

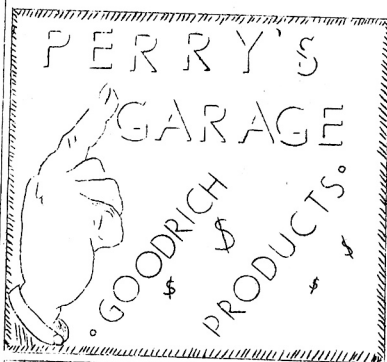

Let us all be happy and live within our means, even if we have to borrow the money to do it with.

Charles R. Brown.

Tommie Tiede has invented a new way to catch fish. "All you have to do", Says Tommie, "is to feed 'em iron filings. then pull them out with a magnet!"

Members of the losing Goldies were seen making plans for a party. It seems that this is the penalty they receive for not selling enough magazines in a certain contest not long ago.

The editorial staff is working under considerable handicap this issue. The editor is absent from her desk and the assistant editor Joan Holmes, has other irons in the fire.

JUNIOR GOSSIP

Eddie has suddenly got what it takes. Anyway, he spent Sunday afternoon walking about Eagle Point with two girls from Medford who were visiting Joan Holmes.

Audrey thought the Merrill boys were pretty O. K. Anyway she didn't have to walk.

Marie is back in school now after a forced vacation of eight weeks.

Joan is feeling quite maternal since she is to take the part of "Ma" in the play.

George is rapidly becoming a dashing southern boy.

Harry and Bea have been discussing "Gone With The Wind". Did they go to the show together?

Reva is going to get a blue card next time if she has to die trying.

Martin is going to start bawling some of his classmates out if he doesn't get more help with the advertising.

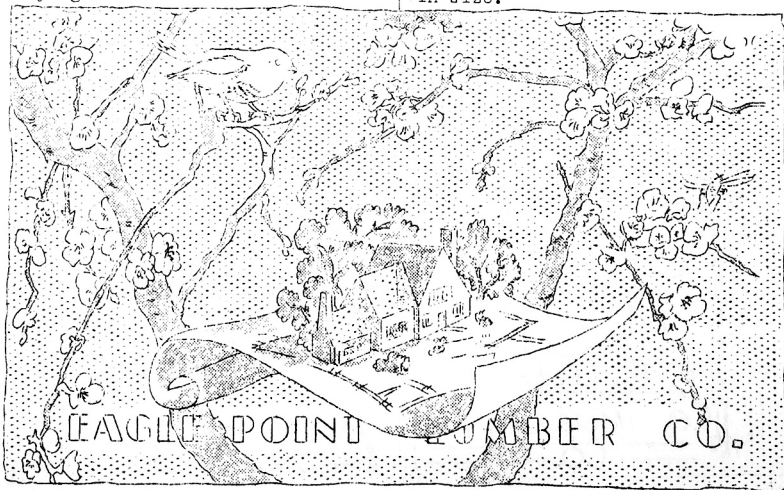

Lucile is gloating over the blue card she got this six-weeks.

Martha has suddenly realized that two months of this leap year have gone by and she hasn't done anything about it yet.

Willard is getting to be quite a champion at ping-pong. He can really take most of the boys down the line.

Base ball and tennis are in the air. Some marbles have been seen. No Easter bonnets as yet. Nature seems to be "rushing the season" with flowers and other signs of Spring.

Rudy Weidman and Sam Coy are busy erecting a new building in the lumber yard by the Library. The building is to be used as a shed for lumber. The lumber yard is owned by Woods Lumber Co. of Medford and is steadily growing in size.

Four Boys Earn Letters

There were fourteen games that counted for letters. 224 minutes of playing are needed before a letter may be awarded. Fourteen times thirty-two equals four hundred forty eight divided by two equals two hundred twenty four minutes.

GIRLS PLAY BASKETBALL

A number of people enjoyed the girls' basketball game Tuesday, February 27. It was a good game with the score ending 4 to 5. The high spot of the evening was the style show put on by the high school boys.

The girls cleared six dollars to help pay for the boys' food at the Tournament in Ashland.

If we could only sleep as soundly at night as we do when it's time to get up.

PERSONALS

The students are very sorry to hear about the death of Mrs. Mattie Foster, the aunt of Jessie and Dobby Beaulieu and Beatrice Caster.

Audrey Knighten, Joan Holmes, Mary Harnish, and Edith Hoefft stayed in Ashland for three days and attended the Southern Oregon district tournament.

Willie Pierce, a former Eagle Point student, was a visitor to several Eagle Point friends.

Thursday, the first day of the tournament at Ashland, was a school holiday. Because many students were still celebrating, very few attended school on Friday.

Several of the students enjoyed the show, "Gone With The Wind."

Shirley Goodman and Helen

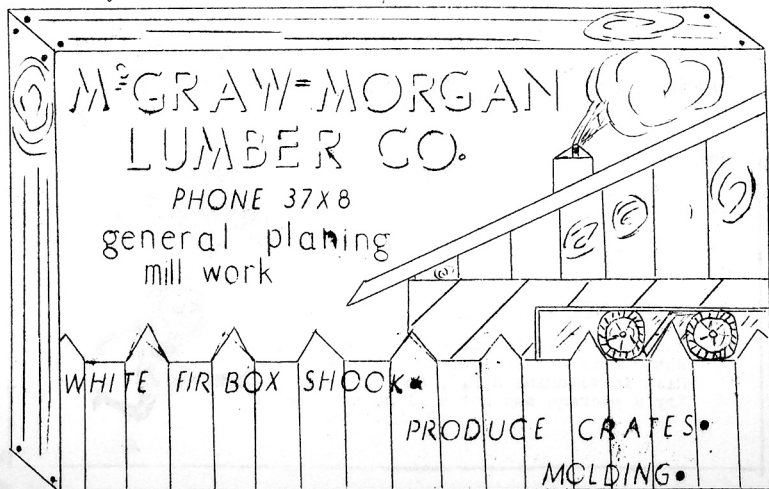

Rammin of Medford were Sunday guests of Miss Joan Holmes.

We are all glad to see Marie Davidson and Joan Millard back in school. They have been absent quite some time.

Mrs. Annie Clave, Mrs. Osterhout, Mrs. Lusk, Mrs. B. A. Clark, Mrs. Ed Chamberlain, and Mrs. Mary Redding attended a Home Interest Conference at Oregon State College last week. They seemed full of enthusiasm about the success of their meetings.

The Grange one-act play "This Way Out" is to be presented to the Rogue River Grange Saturday Night, March 9th.

The fourth period report cards were issued last Wednesday. For the first time the freshmen didn't get the majority of the blue cards. The seniors got them.
